2009-2010 Annual Report Verification Form

College/University: _____

The annual report accounts for 80% (80/100 points) of the total judging criteria points allocated for the Annual Awards Program. The remaining points are allotted for the chapter plan that was submitted in the fall.

The annual report reviews and analyzes the results of chapter activities based on the objectives outlined in the chapter plan. For further details, consult *Preparing the Chapter Plan Report Guidelines* and *Preparing the Annual Report Guidelines*.

Chapter President and Faculty Advisor Verification

I verify that this is an official collegiate chapter of the American Marketing Association and that members are members of the Association. I have read this annual report and verify that it accurately depicts the chapter's activities including both its successes and failures, during the academic year.
